SERIES E PLUS (electronic)

These digitally-timed, electronic pumps meet pressure and capacity specifications even after extended use. And these state-of-the-art pumps are, by design, virtually unaffected by temperature, EMI, and other electrical disturbances.

- ETL-listed
- Highly-reliable digital timing circuit
- Water-resistant
- Leak-free liquid end
- Few moving parts
- Wall-mountable
- Auto/Off/Manual Switch
- Premium standard wetted-components materials
- Manual control by on-line adjustable stroke length and stroke rate
- Safe, easy priming with optional bleed valve assembly
- Internally-dampened to reduce noise to acceptable household levels
- Guided ball check valve systems for reduced backflow and outstanding priming
